Distinguished Student Service Commendation for Dana Saunders

Whereas, Dana Saunders provided volunteer equal opportunity and access services to a student with substantial functional limitations throughout the fall 2013 academic semester at California State University Chico, she is hereby recognized for a Distinguished Student Service Commendation from Accessibility Resource Center.

Because of Dana Saunders selfless assistance to a student with disabilities in the acquisition and recording of course information, the University's mission to provide academic adjustments and auxiliary aids to students with disabilities was satisfied. Through her actions, Dana Saunders has demonstrated commitment to the virtue of community service.

It is with deep respect that I honor Dana Saunders Distinguished Student Service.

A handwritten signature in cursive script that reads "Van Alexander".

Van Alexander
Learning Disabilities Specialist
